All,

Thank you so much for making our wedding week-end spectacular! Everyone raved about the venue, the staff, the food...everything was picture perfect and I was truly impressed at how smoothly the entire week-end went. As this was a first (and only!) for Eli and I, I wasn't sure what to expect, but was certainly expecting something to go awry at the last minute...lucky for me, and thanks to all of you, the entire week-end was flawless.

Mike~The Mexican fiesta was a HUGE hit and it surpassed our expectations. The food was superb! The mood was perfect....eclectically elegant!

Ted~Wow! Thank you for everything. You went above and beyond all week-end to ensure our guests were handled with care...especially Sylvia. You have a HUGE fan in her. Your professionalism and attention to our needs was exceptional.

Jackie and Andrew~Thank you for helping us get all the details complete. I so much appreciated the ease with which our requests, thoughts and ideas were handled. You made the entire planning experience very easy and enjoyable. You both have created the quintessential "wedding week-end" environment, and we enjoyed every minute. It was so hard to leave!

Please extend our thanks to everyone on the LTM staff. We are thrilled with the memories we have of this very special week-end.

All the best,

Jennifer and Eli
