Subject: Sara & Patrick's Wedding

Dear Jackie,

Thank you, Ted & all your staff for the most wonderful wedding we could ever have wished for. From the moment we arrived Friday till we left Sunday, I felt like we were the only family to have had the privilege to stay & celebrate at The Manor. I have gotten calls & messages from so many of our guests letting us know how much they enjoyed themselves at the most beautiful, elegant, delicious wedding they have ever attended. I wish we could do it again!

Again thank you all so very much.

Jean

PS Could you please send me Lynn's address / #.
