Subject: Guests at Lord Thompson Manor

Hello,
I'd like to address this to the management and staff of Lord Thompson Manor.

My husband and I had the great pleasure of attending the wedding of our friends Faye Dupras and Josh Shabani on this past Sunday.

I wanted to write to thank and commend the Thompson Manor group for their excellent service and presentation. The Manor is a wonderful setting and without doubt contributed to making this wedding such a happy occasion for all. My husband and I both commented that of all the events we've been to in recent years, this wedding was by far and above the most comfortable, beautiful and enjoyable. It appeared that at every turn the Thompson staff were more than willing to accommodate special touches and requests to make this wedding unique and memorable for family and friends. The staff of Thompson Manor were each - from valet to bartender to manager - all without exception, helpful, courteous and supportive. It is gratifying to witness and experience such excellence in service - perhaps too rare these days.

We hope that some time in the future opportunity will bring us back to Thompson!.

Again,

Many thanks and congratulations to all.

Janet
